“ I didn't know Travis as a grown family man, but I sure remember the wonderful kid he was growing up with my sons on Red House Hill. The baseball games are my favorite. Having a child die especially at such a young age is so heartbreaking. My condolences, prayers, and love are extended Travis' family.

“ *My heart is shattered. I cared and loved this man so much. I still look for you in my home. I will never forget our first dates, and the many dates we had. The laughs in the hospital when I wouldn't leave your side. I hope you know how much I love you.*
