“ Tyler was one of the kindest people I knew. He cared for everyone around him and had more love in his heart than he knew what to do with. While I only knew for a short time over the past few years, I love him dearly. Tyler became part of my family and for now and always will be remembered as such. His smile was one that your can never forget, it lit up what ever room I'm am so blessed and great full I was able to know him. We will all remember him by his bright personality which was reflected in what he wore every day. Rest easy my friend. We love you.
