“ I will always cherish memories of Veronica, who was such a kind, loving gal. I will especially remember our family girl's trip to Canaan, and how good she was to Aunt Tissie.

“ Veronica was a very, sweet young lady. She always had a smile on her face. I can remember going into Moores Exxon from time to time and she was a little girl, not very old and she would be setting on a stool behind the counter while her dad, Keith ran the cash register, she was always smiling and waving at the customers, sometimes she would talk to the customers if she wasn't bashful that day. I can remember one day her hair in pigtails and lil blue jean bib over-alls and a lil pink shirt and her boots and her big blue eyes just glowing and that big smile, she looked up and said Hi while waving that lil hand. She loved her entire family so much.

To her family....May God wrap his arms around each of you during this time and keep you in comfort....knowing that Veronica is with her loved ones in Heaven and celebrating a brand new life with no more sickness and one day we will see her again in Heaven.

Veronica loved everyone especially her nieces and nephews and she loved Jason's girls as if they was her own. Amber Beller, Veronica loved you as a sister....you all had a very special friendship.
