“ *Mrs. McCoy was my 6th grade teacher at Beach Hill Elementary... and she also taught my siblings at Winfield High School. As a teacher, she was very fair, and had a lot of knowledge that was not always about school. When it would rain during a school day, she would let us play during lunch - Twister, or Operation, or whatever someone had donated - or we got to scoot the desks back and do our version of American Idol with lots of singing and dancing to the tunes of the day on the school record player. She had a very kind heart and was a good neighbor and friend of my parents, Fred & Gloria McCallister. I remember she and Albert allowing our unofficial horseback riding group to use their horses - Snowball and Ginger any time we needed extra mounts - which was frequently. Wonderful memories - wonderful people. Rest in Peace... Jenny McCallister Martin*

“ *Ms. McCoy was my first grade teacher. I loved her so much. She touched me in other ways as well. Over 50 years after she first taught me. she came to my mother's visitation at the funeral home. She remembered me! She was interested in what I had done with my life and complimented me--said she always remembered the smart ones. She will live in my heart. I hope she knows how much that meant to me. Thank God for people like her.*

“ *I was blessed to have had so many wonderful memories with Aunt Florence and the rest of my family in West Virginia. She is at home now and with the rest of our family that we have loved and lost. No greater love than with our heavenly father.*
