“ *I have waited these two past years before I could comment anything about my beautiful brother Dalton. But, I think it is time that I tell everyone just how important he was to our family. He is so smart it was just a given that Dalton would have the answer. He wrote and presented papers to the AMA. He was number one to all of his nieces and nephews. All of his sisters miss him so much, and that hurt does not go away. He had the respect of his brothers-in-law. Our parents had already passed so they met Dalton in heaven. Dalton was like the rest of the family, he believed that JESUS is the son of GOD. With that being said, I will close with love to all of you who loved our Dalton and the LORD. Karen Noffsinger*
