“ *In May, 1967, I was a student working in the office at the lab, Mr. Kellogg asked me if I would be interested in working in the Technical Service. I remember him so well, he was one of the nicest, kindest gentleman. I enjoyed my time working in his office.*

I am so sorry for your loss.

“ *Dear Kellogg family,
I have fond memories of all of you. As a child I was a former neighbor and fellow member of First Presby. Mr. Kellogg always seemed so kind and loving. I still remember when you came to our home on Coal River Road shortly after Diane's death and had supper. Mom loved to have friends over. Now she and dad, as well as my baby brother Paul, are all with the Lord. Praying that the Prince of Peace will bring you comfort during this time of loss.*

*Sincerely,
Patty Paris Pauley*
