“ *To Eldon and family, It always saddens me to read that folks I have known have passed on to eternal rest. I met Gay several times while you two were dating years ago. Eldon, your parents used to come and visit us many times when we lived in WV. Please know that I will keep you all in my thoughts and prayers during this very difficult time.*

Kindest regards, Linda Jeffers, Jenkins

“ *My heart goes out to your family during this difficult time. Losing someone we love is truly one of the most heartbreaking experiences we will ever face. I want to take a moment and share a scripture that has given me much personal comfort. Isaiah 25:8 " He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces." This means that we can have the heartwarming hope that someday, in God's new world, we will be reunited with loved ones who have fallen asleep in death.*
