“ *Wanda was like a second mother to me. Sometimes I would miss the bus on purpose so I could go to her house after school. My prayers are with your family. But what a reunion when she crossed to the other side. Heaven's angels must have sung a joyous song. So sorry I couldn't attend the funeral.*

“ We are sorry we will not be able to come to Wanda's viewing or funeral, and want all her family to know that you are in our thoughts and prayers. We have many happy memories of staying at Wanda's home when we came to WV to visit family. She was a very gracious hostess, always lots of good food and almost always invited other cousins and aunts and uncles over to visit and share the wonderful food. One time me and my sisters-in-law came down and all stayed at her house. That was a real party we still talk about. She will be missed by many people.

“ Teresa, Susan and family My thoughts are with you! Losing you Mom is always one of the hardest times ever. Aunt Wanda was a loving ,kind and generous lady. I remember my younger days staying at your house when I came to stay from Ohio in the summers. She always had to feed you --even if you weren't hungry!! Oh, but what a joyous reunion she has had in heaven!!! I can't be there , but I want all to know how much i love all of you guys and miss seeing you.

“ Many years ago when Andy was about 5, we had a lot of rain and the roads were flooded. We couldn't get home and ended up calling Wanda at about 9pm. She told us to come and spend the night with her. We got there and she offered a snack to the boys (I know a big surprise). Andy went with her and was standing on a chair watching her peel his apple. He looked at her and very seriously said, "that's not how my granny does it". I wanted to slide through the floor. Wanda laughed and I don't remember exactly what she said to him but I know that story was one of her and papaw Dail's favorites. Wanda was one of my favorites, and in such a wonderful family that's saying something. I know she's with our Lord now and treasure the memories. God Bless! Colleen Sergent

“ Wanda was an excellent employee with Putnam County Schools for many years. I had the pleasure of working with her at HMS where she prepared and served many, many delicious meals to very hungry children. She was appreciated. Fondly, Nancy Faulkner, former Director Child Nutrition PCS and friend.
