“ *My sincere condolences and prayers are with you and your family. I knew Patsy and Beecher nearly 30 years ago, when I was a child, and still have fond memories of their kindness. Beecher made several wooden toys for me then, and I have passed them along to my own son.*

“ *Patsy: I am so sorry for your loss and send prayers and thoughts that you have strength through this difficult time; lived across from you for about 7 years; Katelyn loved you both; she is 25 now and teaching; was little girl when we lived there; you both were so sweet and loving to her. God Bless and be with you during this time.*
