“ To all the Snyder family we are very sorry to hear about Wayne's death, We offer our condolences and prayers to the family. We are sorry that we couldn't stay and attend the memorial due to the chemical leak but we will be thinking of you. Being a cousin of Wayne we grew up together and shared a lot of good memories I will miss him and wish the family our best at this difficult time.

“ To all of the Snyder boys.....I am so sorry for your loss. I have known your Dad since his first year in little league. He was on the Red Legs with my brother, Dink Spurlock, and they didn't have a coach. My mother was their only coach for about 6wks...then another father volunteered. Then of course, we met again when all of the Snyder boys and my two Wilson boys started playing little league together. Your dad was very special to me and my mother and brother, just as you boys were special to me. Love and prayers to all of you during this difficult time.....Debbie Wilson....
