“ Bill was the kindest person I knew. He helped our Dad, John Reed, Jr. whenever he needed groceries, meds picked up, or just someone to talk to. He was so dependable to always help Dad. We will miss him, We send condolences to his family and may God bless him and his family.

“ Billy was always one of my favorite people in Winfield (along with his sister, Maxine) and I am sending most sincere sympathy to Gene and Bob for the loss of a dear brother. At one time there were a slew of deer killed in front of my house; Billy would call me to ask if I was having 'road kill' for dinner! We had many laughs over this. I am sorry I am unable to share this with you in person. I would also like Bob to know when we bought his house in Winfield Charlotte sent me a lovely note, hoping we would find the same love in the house that they did. Sorry the beautiful trees were cut down; the warmness of that home has now turned cold. My best wishes to both of you, along with the complete sorrow I feel for Billy no longer being a bright spot to all of us.

Sincerely, Rana Bayer Dillon

“ *Uncle Billy was not really my uncle, but I always called him that, because he was family. Always kind always caring and to him I was always Geraldine or Gertrude.....loved him very much....Rest in Peace....*
