“ *Seems like yesterday I see Robbie in high school with a big goofy grin on his face. I think I always remember him with a smile on his face and making others around him smile. Gone far too soon. May God bless his family with strength to get through this terrible time. Be at peace Robbie*

“ *My parents live down the street from him and his wife. I've always seen him around town, mostly working. But what a nice man he was. Always kind . I will miss seeing him and I'll keep his wife and family in my prayers.*

“ When I think back to my childhood and even into becoming an adult all of my fondest memories are with Robbie and Angie. When everyone else was so serious Rob could grin and smile and make you laugh . He was a great friend, son, brother , father, uncle and if I'm missing one I know he was great at that to. My sincerest condolences to Rob's entire family . The night has gotten brighter for it has gained another star. I will miss you brother, rest in piece and may God bring much needed comfort to your family 😞🙏

“ When I think back to my childhood and even into becoming an adult Robbie and Angie were such a huge part and more importantly truly some of my best memories were shared with them. We grew apart over the years then reconnected then back apart but the love for someone I considered a true brother never left. I will truly miss you my brother. To the rest of Rob's family I would like to extend my sincerest condolences . I know the person Rob was so I know how hard this is . He was a great friend, son, brother and father and uncle and I will cherish the great memories I shared with him. Rest in piece my brother 😞❤
