“ Praying for your comfort at this time. Bill was a special friend to me at the WVANG Clinic.  
I always remember our discussions about our faith. He always did what he could to keep the young SSG and later Doc out of trouble with my weight. He even gave Judy and I a nice TV when we were first married. He was a special, “Man of God.”  
We are out of the state today but give all your family our Love.
