“ Mr. Harris was a very sweet and polite man. I love talking with him when he came in to the Post Office.  
My thoughts and prayers are with you and your family. I will miss our conversations.  
I hope you find comfort that he suffers no more and you will see him once more as he waits at the gates of Heaven to greet you when your time comes.

“ *Bob was one of the gentlest, kindest people I've ever met. I'm lucky that he and my mother were able to spend so many loving years together. I admired his sense of humor and optimistic way of looking at the world. I will miss him greatly. May he find peace now without suffering and pain.*
