“ *My heart goes out to Mary and JoAnn for the loss of such a good man. He was so gifted as a carpenter, building a wheelchair ramp for my parents, a dog deck and bridge for Jacqui, getting my bed fixed, driving my furniture and being with me as I made the trip to Alabama, and taking me to buy a car. He was always there when his neighbor's needed something and always building. I will miss his wisdom and advice.*

“ Billy was a kind man. He loved caring for his pets and the squirrels and birds. He made a beautiful home with decks so he and Mary could enjoy the outdoors. He was very generous and a good truck driver and could talk for hours telling you of his experiences. It was a pleasure knowing him. (from Judy Salmons)
