

## William R. Newman, II

October 18, 2013

Brother Bill, of Winfield, passed away on Friday the 18th at 4:20pm. He was 61 years old and pneumonia finally got the best of him.

He came into this world with cerebral palsy and those that knew him will tell you that he never let it get him down. He always had a great sense a humor and enjoyed being around people. He had many accomplishments, including graduating from high school and an internet intermediate chess ranking.

We know that he is in a better place with his longtime friend, Vicki Medley. We can only imagine what fun they are having. He is survived by his mother, Juanita M Newman; brother, Fred and sister in law, Mary and various nieces and nephews.

We would like to thank all the staff at Genesis Health Care of Hurricane for their care and kindness. His stay there was like being in a big family. You couldn't find a better place to be. Lastly, we would like to thank the CAMC/Putnam Division of Teays Valley Hospital for their care during this trying time.

According to his wishes, he is to be cremated and there will be no service.
