“ *You are in my thoughts and prayers and have my deepest sympathy. I remember when we became good friends at Culloden Missionary Baptist Church. Eloise and Brenda were small girls. When I graduated from High School, you invited me to go to Virginia Beach with you. It was my first beach trip. We had a great time together and truly the trip was great. It was always good when Larry and I would run into Alfred, Nina and Eloise at Pizza Hut or Super China Buffet. We would reminisce about the good old days. Love all of you very much!!-Phyllis*

“ Marty;
I wanted you to know that even though we have been ashamedly distant I got to know your Dad in the late eighties and into the nineties when your dad worked at Advanced Auto in Barboursville, WV. My wife, Linda and I had moved back to WV from Houston TX. I went into the Advanced Auto for something and I struck up a conversation with Bill. He asked my name I told him Gary Painter, he said my name is Painter. Now I had met Bill at my paternal Grandfathers funeral, but standing in the auto parts store that day Ralph Hill Painter’s funeral had been a long time ago and I did not immediately recognize him. I got to know him better, always enjoyed his company and came to know that he was a fine man. Linda, Joan and I shared something with you, however I do not know when it will be delivered with the virus times we are living in now. I am sorry you and family had to go through this loss during these virus times. My cell number is 304/541-9260. Please reach out sometime after your pain will allow and when this virus is gone and maybe we could have dinner sometime.
May God Bless You. Gary
