“ *Mark holds a special place in my heart by just being a friend. When I moved in with Tammy, I really didn't know anyone well, but Dianna, Johnathan and Mark through band. It felt like family because that's how they always made me feel. When Mark had to retire, I always looked towards their house, because he was waiting to wave at me. Going to miss the hunting and fishing talks, but can't wait to see you again, so we can talk about everything you've already gotten to see and do <3*
