“ *1.Someday our last goodbyes, on earth will all be over / And the Journey of life will be through / But before, we say goodbye, and the chain of life is broken/ will you make me this promise too.... (chorus).....2..We know, that death is sure, and life is so uncertain/ and we know not when the moment will end/ Ere the silent reaper comes,to drape the final curtain/ let me make you this promise too....(chorus).I firmly promise you, that I'll meet you by the River/ On the banks of that Evergreen shore, Where Hearts will never break, and our lips will never quiver/ For the friends that have gone on before..... One by one, we'll see them cross, the silent river/ They are leaving every moment or two/ So wont you firmly promise me, That you'll meet me by the river, And I'll make you this promise too*
