“ *William was my nephew. I don't know if his foster family will see this, but if they do, I just wanted to say thank you for the love & care you gave to William. If possible, could you please post some pictures here? We would all love to see them.*

“ *I remember the evening he was born. June 29, 1983 @ 6:36pm. Weighed 2lb. 11 1/2 oz. 19 in long. 3 months premature. A Csection at Children's Hospital Columbus, Ohio. I have loved and missed you for 28 years. I hope you had a good life and were happy. I remember those blue eyes smiling always a happy baby like you didn't have a care in the world. I slept with you hooked to an apnea monitor on my chest. I was afraid you'd quit breathing. Now you did and I wasn't there. So sleep my baby rest in God's arms until I can be HOME with you. I am the birth mother...Minia Boggess*

“ *William was a child of God from the very beginning. His natural parents, my brother Ron and his then wife Minia (who is still a big part of our family) loved William dearly, as well as his younger sisters. We all did. We feel the pain that our family and William's current family must be going through. But now he is in Heaven and God has made him whole. It will be he who watches over us with our other loved ones who are there with him. It will be he who will come running to us with those beautiful eyes seeing us, and out-stretched open arms to welcome us into Heaven.*

My most favorite memories were when Minia would sit on a blanket on the floor and cradle William. She would talk to him & tickle him, and he would laugh and laugh. He was so happy and had the most angelic smile. Until we meet again William, tell all of our loved ones hello and that we miss them too.

*Love you,
Aunt Kathy*

“ *I will always and forever Love you bubby even though you were rip out of my life at such a young age. You have always been in my heart and it feels like I've truly lost a part of myself.*

“ *When we was little and riding in the car my brother would reach over for me and he would try to poke my eyes he just wanted to know his sister was there. He couldn't see me so he didn't know what he was doing.*

“ Luke 18:16; *"But Jesus called them unto Him , and said , Suffer little children to come unto me, and forbid them not; for of such is the Kingdom of God". Willie is seated with the other little children around Jesus.*
