“ I grew up with Wink throughout our teenage yrs. Some of my best times was spent with him riding dirt bikes, frog gigging and fishing in the pond ,and getting stomped in a game of pool. I remember when the jump was built and Wink got his YZ 426. I can still here Wink laughing and joking when he would let me ride the 426 because the bike was bigger than I am. I am very thankful for all the great memories growing up and regretfully we grew apart when I moved to Tennessee. To Judy and the family I am very sorry for your loss Wink was a great friend to have.

Going to miss your big bear hugs when I come to visit but I will never forget them. And your nasty deer jerky yuck. I know this has been a rough ride these past few weeks.
