“ *As over a year has passed... sometimes being reminded by a friend how sorry we are for your loss, is a fresh reminder of the incredible love of your father...and the friends that care about you and your family.*

*As I have lost my father as well...may only the best of memories carry you on into the future of your life...*

“ *Bill, God called you home before we got to see each other again. I surely will miss you calling me on my birthday to wish me a happy birthday. You and Burnis were like parents to me. I will make sure to check on your sweetheart while you are gone. You will truly be missed. But rejoicing in the fact that we will see each other again very soon. Know that you're loved and sorely missed.*

“ Bill was a person with I enjoyed working at C&P and later, Verizon. When we stretched cooperation across Business Office and "Plant," I always found him helpful and a true gentleman!

“ My favorite memory of Bill is a picture of him and my sister wrestling in the yard under the tire swing at Uncle Charley and Aunt Mae's place on Dewitt Road.
