“ I never was around Jane much, she was my cousin, and we lived in Ohio, but the few times I was, she was a fun person, made me laugh. I only have good memories of her. Looking back she reminded me of Bette Davis. No words can ease the pain of the loss of a loved one, tears will fall, and still fall when we think of someone that we loved has passed on, but we will always have those memories that we shared with them. God Bless my cousins and may he comfort you during this time. Mark Tucker

*A remarkable woman that gave up her personal life to care for her parents, her brothers, as well as many others. I know she will be greatly missed. May she rest in peace where God and the angels can take care of her. Of all people I know, Jane deserves it the most. From Rose McCormick and family.*

“ *It is with great sadness I bid farewell to one of the pillar stones of my life. Some of my earliest memories are of my sweet aunt Jane, her walking me to the bus stop, or baking me the best biscuits in the world. We had some great times! I am a person whom knows this life is short way to short. I also know that she is in a better place with Grandma and Grandpa in heaven. I am sad for myself, family and friends whom will not get to see her in this life again. Peace be with you Aunt Jane.*
