“ *I am so sorry for your loss. I taught Zenie (JR) in Sunday School when he was a little boy. He was a pleasure to have in class. He came to church with his grandpa and grandma. May God be with your family at this time and may your memories of him always be close to your heart.*

“ *I was acquainted with Zenie (JR) from the Point Pleasant area as a Chaplain. He was a good example to others around him, a good intelligent young man....earning many certificates in his studies. May God be with your family as you remember the good times you spent together.*

“ *Oh my, where to start....(Zenie) known as JR to me, was an ornery little thing! How he used to run and play, getting into everything! I saw him every Sunday when we went to his grandma and grandpa's for dinner after Sunday School. My girls used to play with him (or run from him, should I say :) They were just tiny little ones.... I will always have tender memories of him. You are a special and fortunate woman to be his wife and mother of his children. He and my daughter are only 4 months apart... Wow, I just can't believe how much he favors his cousin. His daughters will be so proud to know the man their father is. My deepest sympathy. I mourn for you in my heart and will pray for you and your girls as I did for him.*

“ I had the privilege to work with Zenie as his supervisor in earlier years. He was eager to learn new professional skills and did so very successfully. His determination, diligence and work ethic was a role model for his peers. Condolences to his family from myself and my staff.

“ Zenie was a nice young man that had gone to church with his grandpa where we attended when he was a boy. I hadn't heard from him for a long time. We wrote each other for a while. The last I had heard he was living in Parkersburg. I am so glad he had a nice family. He deserved it. My sister was married to his cousin.

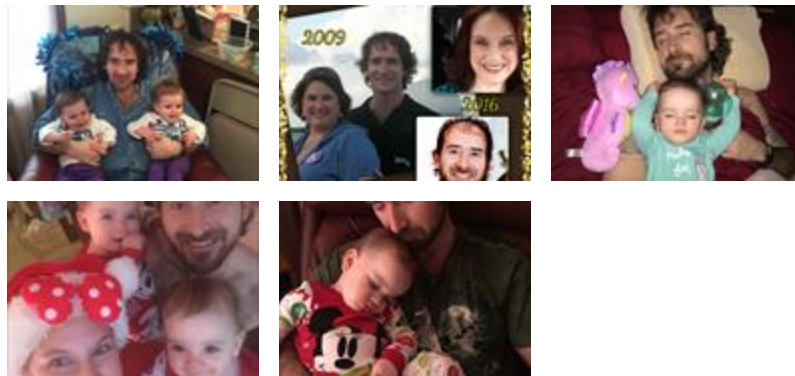

So sorry for his wife and daughters.

*I was working for Prestera when I met this super intelligent young man. My heart is breaking with grief. He worked so hard to get everything he wanted in life and deserved which was a wife and family to love and love him in return. I can't express the words I feel for you and your families Andi in this time of need. I do know this type of loss as I lost my husband of 20 years in a car accident where we lived in Ft. Myers Fl. No matter what people say about moving forward, by the grace of God he will get you through this and it does take quite a while to move on. Take as long as you need to grieve and do not let anyone rush you.....*
